Message from the Editor-in-Chief

Happy New Year 2023!!! I am very excited to welcome you all, our cherished readers and clients, with a big smile as we look forward to the endless opportunities this New Year presents.

As successfully done in the previous years, we updated you on laws and legal tit-bits and the latest information about FSB Law Consult every month in 2022. Your responses and feedback on each issue published have been of tremendous support and encouragement to us. We take great pride and joy in knowing that our work is appreciated and most of you have found the information beneficial. You have pushed us to strive and do better as we continue to publish the industry-first newsletter; *The Okyerema*. Indeed, 2022 was a challenging year for all of us as the country faced economic distress catapulted by the fall of

the Cedi against the major international currencies. However, we all managed to survive, thanks to our resilience and fortitude.

Reiterating what I said in last year's editorial, we intend to continue to bring you educative and informative articles on pressing issues in law and the country as a whole this year, 2023.

We appreciate the support you have given to *The Okyerema* and we are excited to carry you along on *The Okyerema's* journey to becoming the number one monthly law firm newsletter in Ghana. Come along and discover the great heights *The Okyerema* is poised to attain.

Cheers to a new year full of opportunities and discoveries.

FSB LAW CONSULT: YEAR 2022 IN REVIEW

One of our goals for the year 2022 was to launch our wholly-owned subsidiary, Elisus-Beatty Trust Services Limited. This was achieved in the first month of the year as the launch took place virtually via Zoom and Facebook live on Friday, 28th January, 2022. As an industry first, Elisus-Beatty serves as the first corporate executor/trustee/administrator in Ghana and also undertakes other ancillary services such as company registration and company secretarial duties, and obtaining regulatory and statutory licenses for businesses and individuals

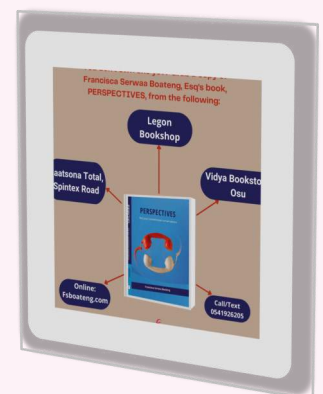

In commemoration of last year's International Women's Day, Our Managing Counsel, Francisca Serwaa Boateng, Esq. gave a presentation at a webinar with the British High Commission, Accra. She was on the panel with three other amazing CEOs. The Theme for the webinar was 'Empowering Women & Girls: A Glimpse into the Life of a Female CEO in Ghana.'

In May 2022, we received an Invitation form Central University, Miotso Campus to participate in the school's 3rd Industry Day Fair. We honoured this invitation on Tuesday, 24th May, 2022. We introduced our firm; who we are and what we do. The team also engaged the students of the school, gave them advice on the legal sector and also pointers for their career.

One of the greatest highlights of the year 2022 for us was the launch of our Managing Counsel, Francisca Serwaa Boateng, Esq's book: PERSPECTIVES. The launch held virtually and attended by a huge number of people both in the legal fraternity and the general public with some attendees joining in from the US, UK and other African countries. Order for your copy of PERSPECTIVES at <https://fsboateng.com/books/> and +233541926205. You can also pick up a copy at our office premises on the 11th Street, Baatsona-Spintex Road, Accra, Vidya Bookstore, Osu, Accra, Baatsona Total, Spintex, and Legon Bookshop. Payments can be made via Momo, Zeepay, and Cash and we also deliver anywhere in Ghana.

The month of September, 2022, also saw our office manager, Ms. Lebene Gbebleou-Sleem and law clerk/ office support, Mr. Richmond Asare, in the Volta Regional capital, Ho from the 12th of September to the 15th. They were there to sell our Managing Counsel, Francisca Serwaa Boateng, Esq's trending book, PERSPECTIVES at the Ghana Bar Association's Annual General Conference. We are very thankful to all the attendees, lawyers and non-lawyers alike, who bought copies of the book or signed up and had theirs delivered to their offices and regions.
