

**Ignore unlawful publication about Francisca Serwaa Boateng on the
General Legal Council's website**

On 5th January, 2024, the General Legal Council issued my Solicitor's License with No. eGAR01928/24. Therefore, kindly ignore the obnoxious document in circulation alleging that I have been suspended from law practice for seven years.

As usual, I am fully available and carrying on with my work as a lawyer and notary public.

In the meantime, I have sued "Anin Yeboah, JSC, Irene Larbi, JA and Sam Okudzeto, Esq" for general damages of 20 million Ghana Cedis for defamation.

Thank you.
